

Part of the 2020 Moreton Bay Region Business & Jobs Expo

INNOVATE PRECINCT PROGRAM

10.30 - 11.30am

BOOK YOUR SPOT

How do businesses stay resilient and innovate during challenging times?

Dr Retha
de Villiers
Scheepers

Dr Noel Tracy

Like businesses everywhere, Moreton Bay businesses are experiencing significant negative impacts due to the pandemic. Resilience can assist firms in times of crisis. This panel will share findings from USC research project outlining how Moreton Bay businesses have been affected and how they are adapting and innovating.

Panel welcomes:

- > Dr Retha de Villiers Scheepers, USC
- > Dr Noel Tracey, USC
- > Michael Holmstrom, STEMPunks
- > Megan Avard, SurePact
- > Joe Hoolahan, JESI

12.00 - 2.30pm
